SEPTEMBER 22-3-4, 1915

Perhaps you were not able to attend the Panama-Pacific exposition and perhaps will not spare the time to go to the State Fair, but you can go to the County Fair. You owe that to yourself and family. Mr. Farmer, take the big wagon, and bring the wife and children (and the lunch basket also if you like, and enjoy a meal in the grove). You and the family have earned this holiday; come and have a good time. We are endeavoring to make the Fair better each year, but we need the support of the county. We cannot accomplish what we should if we do not have this assistance.

Bring some grain, grasses or vegetables with you for exhibition. If you have an old relic brought across the plains in the old ox wagon, put it in the wagon. We want it.
